

SHAHED KADER

Affiliate Attorney/Contract Attorney
Attorney at Law, DC/MD

Khandoker Shahed Kader has been immersed in the technology sector since 2009, fulfilling a variety of pivotal roles encompassing business development, sales, and legal services. This diverse experience has afforded him a profound understanding of the nuanced requirements of technology business transactions. In 2018, he founded Kader Law, focusing on the legal needs of the tech industry.

He is adept at negotiating with large enterprise companies and has successfully steered clients through numerous high-value technology transaction deals.

Shahed's client base spans from well-funded technology startups to large enterprise organizations.

Shahed is well regarded in professional circles, as evidenced by his positive reviews on various lawyer listing services.
